Product Details

Print your own Custom Blank Banners

Custom Blank Banners are a multiple-use advertising tool. You can use them to promote your products or services. They are a cost-effective way to reach a wide audience. They can be used in a variety of ways, such as for window displays, trade show booths, and direct mail campaigns.

Designing Custom Blank Banners

Designing Custom Blank Banners is a great way to advertise in a number of outdoor settings. Businesses and organizations have the capacity to increase their customer or product sales and provide information to their customers, visitors, or clients. As the design process moves forward, you will want to keep in mind that you'll be printing on a 3.5 x 11 inch banner.

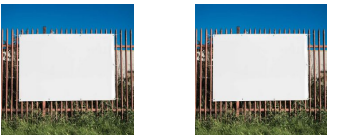

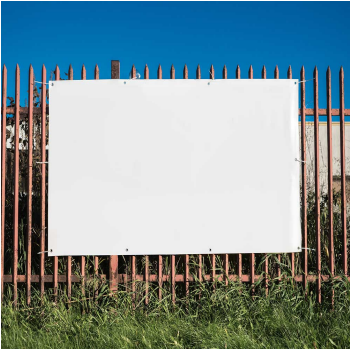

Frequently Asked Questions

What are the accepted file formats? Accepted file formats are EPS, PDF, PPT, EPS, CDR, AI, CPT, PSD, TIF, TIFF, PPT, PPT, PPT, DOC, DOC, and HTML and page images. However, Adobe Photoshop EPS and TIF files are better suited for large format printing. Print resolution should be at least 300 DPI for all files.

What are the dimensions for the banner? The maximum resolution should be 300 DPI for all files. The maximum size of the banner should be 30 inches wide by 10 feet long. The minimum size of the banner should be 24 inches wide by 3 feet long. The banner should be printed on a white background.

What are the shipping options? Banner Store offers several shipping options. Standard shipping is available for most banners. Expedited shipping is available for banners that need to be delivered quickly. International shipping is also available for some banners.

What are the terms and conditions? Banner Store has several terms and conditions that apply to all banners. These include a 30-day return policy, a 10-business day lead time, and a requirement that banners be printed on one side.

How to Place your Order: It's a good idea to view and decide on the following details before placing your order: Banner size, Banner type, Banner color, Banner material, Banner finish, Banner shipping options.

Banners consist of one or two pieces of Custom Banner material folded over the backside of the banner and heated together to form a clean and strong one-piece unit. We recommend leaving blank space on all banners to ensure the strength and durability of the banner. This helps to maintain the banner's shape and prevent stretching.

Banners are a cost-effective way to reach a wide audience. They can be used in a variety of ways, such as for window displays, trade show booths, and direct mail campaigns. This distribution is the right and best way to reach your target audience.
