Frequently Asked Questions

What File Formats Are Accepted? We accept JPEG, JPG, PNG, PDF, EPS, AI, PSD, TIF, and TIFF. For best results, Adobe Illustrator EPS and AI files are preferred.
What Resolution Should I Use? For actual-size artwork, use a resolution of 150 dpi. If your artwork is at half size, 300 dpi is recommended.
What Color Mode is Accepted? We print in full-color CMYK but also accept RGB files. We strive to meet your color specifications regardless of the format.
What Fonts Do You Support? Our design tool offers a wide variety of fonts. If uploading your file, please outline all fonts before exporting or provide the fonts used to avoid delays.
Do I Need to Add Bleed? No need to add bleed; we account for the material needed for hems and pole pockets.
What Banner Sizes Do You Offer? Custom banners start at 2' x 2' and can be customized up to 150' in length and 10' in width.

Be The Artist, or Let Us Make The Banner

We give you three options to start your order – design online (or upload your design online), customize a template, or let us design. Our Banner Builder is an online designing tool that gives you the option to be creative whether you choose to design from scratch or customize one of our thousands of predesigned banners. However, if you don't have the patience or the time to design yourself, just let us know what you need, and we will design for you – with no additional charge! That's right. We have designers who will do all of that work for you, for free, and you'll have a professional-looking banner with none of the effort on your end! It's that easy!
