Backlit Banners - Custom Backlit Banners Printing

Introducing the backlit banner! 18oz Backlit banners are perfect for catching the eye of your prospective customers and giving them a powerful and lasting impression. Our backlit banners are made of heavy-weight materials and are double-sided to ensure durability for many years. They are also printed with UV and water-resistant inks to withstand the elements. So if you're looking for a striking, graphic display that will withstand the test of time, look no further than the backlit banner!

18oz Backlit banners are the perfect solution! Made of heavy-weight material and printed with UV and water-resistant inks, our backlit banners are built to last. And with double-sided printing, you can be sure your graphic display will still look stunning after years of use. Whether you're looking for a weather-proof solution for your outdoor advertising needs or a striking graphic display for your indoor space, backlit banners are a perfect choice.

Backlit banner printing is an excellent choice for anyone looking to create high-impact signs and displays. The material is durable and easy to work with, making it a great choice for both indoor and outdoor use. Our 18oz backlit banners are printed in full color with a maximum width of 8 feet x 150 feet and come with a matte finish to minimize glare.

FREQUENTLY ASKED QUESTIONS

ARTWORK SPECIFICATIONS

Which are the Accepted File formats?
Accepted file formats are JPEG, JPG, PDF, EPS, CDR, AI, GIF, PSD, TIF, TIFF, PPT, PNG, DOC, DOCX, BMP, and pub image. However, Adobe Illustrator EPS and AI files, are better suited for large format printing. If you are using the design tool the file formats that can be uploaded are PNG, JPEG, JPG, GIF, EPS, AI, TIFF, and PSD.

What resolution should I use for the artwork?
The minimum resolution should be 150dpi for actual size artwork and 300dpi if the artwork is about half size. Provide all image files in inches. For example, if you want your banner to be 2 Feet High x 4 Feet Wide, then set the artwork size at 24" X 48".

What color mode is accepted?
Usually, we provide full-color printing in CMYK for all types of banners, signs, and related products. There is no need for color shifting in case of files submitted in RGB because we accept RGB as well. Whether CMYK or RGB, we always strive to deliver the best results to meet your specified color requirement.

What kind of fonts do you support?
At Bannerstore.com, you don't have to worry about fonts because we bring the widest variety of today's most popular fonts. In the banner design tool, you can select the fonts of your choice from our large library and personalize the text for your banner as well as the signs. If you are uploading your file, we recommend outlining all your artwork's fonts properly before exporting the file for printing or supplying us with the fonts used in your artwork. This will help you avoid any delay in the final printing work.

Do I have to add bleed to my artwork?
If your design covers the full banner surface we will use extra material for the banner finish such as hems and pole pockets. You do not need to add bleed to your artwork.

What size do you offer for banners?
Sizes of Custom Backlit Banners start from 2' x 2' but can be customized to reach 150" in length and width 10' for horizontal vinyl banners and 150" in length and width 10' for vertical banners. The size of your Custom 13 oz banner design depends on your needs.
