Custom Vinyl Banners Finish Options

Banner printing your order. It's a good idea to know some details on the following detailed options. **Free Hems and Grommets.**

HEMS
[] Hems consist of one inch of the Custom Banner material folded over to the backside of the banner and hand sewn together to form a clean and strong eye look. We recommend having hems on all banners to increase their strength and durability of the banner. We offer free hems on all our banners. Hems are typically used to maintain the shape of vinyl banners. **POLE POCKETS**

POLE POCKETS
[] Provide a convenient method for hanging or attaching vinyl signs at regular points. This distributes the weight and helps to keep the vinyl from sagging. Hems, banner edges are typically used to maintain the shape of vinyl banners, helping maintain the banner's shape and prevent stretching. This is particularly helpful when banners are used on vinyl signs.

WIND SAITS
[] The Pockets allow for grommet poles or stands to be inserted along the edges of the banner. This allows for a more even distribution of the banner's weight to prevent sagging. Opposite pole pockets can be used to make the banner more rigid.

Affordable Vinyl banners
Banners and posters are affordable for clients. This cost efficiency is a benefit of this type of banner and is one of the reasons that more and more people are using them. Vinyl banners are made from a durable material that is resistant to fading and tearing. They are also easy to install and remove. Vinyl banners are a great way to advertise your business. They are also a great way to promote your products. Vinyl banners are a great way to advertise your business. They are also a great way to promote your products.
